In accordance with the JCDPA established between the parties, the respective Data Protection Officer and Data Security Organization of the Robert Bosch Kft. are exclusively entitled to provide information to data subjects or to third parties regarding their requests about the data processing activities mentioned in this Data Protection Notice.

### Processed categories of data

The following categories of data are processed:

- Video and voice recordings made from the data subject during the operation of the camera system at the Area of 1103 Budapest, Gyömrői út 108-126
- Movement data inside the area

### Processing purposes and legal bases

We, as well as the service providers (data processors) commissioned by us; process your personal data for the following processing purposes:

- a) Taking pictures and voice recordings, registering internal movement in order to safeguard the safety of the area and the protection of safety and welfare.  
(Legal bases: legitimate interest in protection of welfare and property).
- b) Safeguarding and defending our rights.  
(Legal basis: Justified interest on our part for safeguarding and defending our rights).

### Data transfer to other controllers

Principally, your personal data is forwarded to other controllers only if required for the fulfillment of a contractual obligation, or if we ourselves or a third party have a legitimate interest in the data transfer, or if you have given your consent.

Third parties may also be other companies of the Bosch group. Additionally, data may be transferred to other controllers when we are obliged to do so due to statutory regulations or enforceable administrative or judicial orders.

### Service providers

Protection of the site is principally provided by P. Dussmann Kft. (1134 Budapest, Váci út. 35.)

We involve external service providers with tasks such as data hosting and hotline services. We have chosen those service providers carefully and monitor them on a regular basis, especially regarding their diligent handling of and protection of the data that they store. All service providers are obliged to maintain confidentiality and to comply to the statutory provisions. Service providers may also be other Bosch group companies.

### Transfer to recipients outside the EEA

We might transfer personal data to recipients located outside the EEA into so-called third countries. In such cases, prior to the transfer we ensure that either the data recipient provides an appropriate level of data protection (e.g. due to a decision of adequacy by the European Commission for the respective country or due to the agreement based on so-called EU model clauses with the recipient) or that you have consented to the transfer.

You are entitled to receive an overview of third country recipients and a copy of the specifically agreed-to provisions securing an appropriate level of data protection. For this purpose, please use the statements made in the Contact section.

### Duration of storage; retention periods

Principally, we store your data for as long as it is necessary to achieve the purpose of the data processing or for as long as we have a justified interest in storing the data (e.g. we might still have a justified interest in postal mail marketing after fulfillment of our contractual obligations).

In all other cases we delete your personal data with the exception of data we are obliged to store for the fulfillment of legal obligations (e.g. due to retention periods under the tax and commercial codes we are obliged to have documents such as contracts and invoices available for a certain period of time).

We store the personal data provided by you until the following time:

- a) camera recordings: 72 hours after making the recording

The sound and/or video recordings, if unused, is abolished or deleted by the Security Service after the expiry of the period above. Use of sound and/or video recordings shall mean particularly when the sound and/or video recordings or other personal data is submitted as evidence in a court proceeding or some other official proceedings.

### User rights

To enforce your rights, please use the details provided in the [Contact](#) section. In doing so, please ensure that an unambiguous identification of your person is possible.

- **Right to information and access:** You have the right to obtain confirmation from us about whether or not your personal data is being processed, and, if this is the case, access to your personal data.  
Any person whose right or lawful interests is prejudiced by any sound and/or video recording, or by the recording of any of his personal data may request within the deadline above, respectively, following the date when the sound and/or video recording or the recording of any of his personal data was made, by providing proof of the said right or lawful interests, the processor of such data not to abolish or delete the data. At the request of the court or another authority the sound and/or video recording or the recording of personal data in question shall be sent to the court or authority without undue delay. If the request is not submitted within thirty days from the day when the request for refraining from the abolishing procedure was made, the sound and/or video recording or the recording of personal data shall be abolished or deleted, except if the deadline above has not yet expired.
- **Right to correction and deletion:** You have the right to obtain the rectification of inaccurate personal data concerning yourself without undue delay from us. Taking into account the purposes of the processing, you have the right to have incomplete personal data completed, including by means of providing a supplementary statement. This does not apply to data which is necessary for billing or accounting purposes or which is subject to a statutory retention period. If access to such data is not required, however, its processing is restricted (see the following).
- **Restriction of processing:** You have the right to demand for – as far as statutory requirements are fulfilled – restriction of the processing of your data.
- **Objection to data processing:** You have the right to object to data processing by us at any time. We will no longer process the personal data unless we demonstrate compliance with legal requirements to provide provable reasons for the further processing which are beyond your interests, rights and freedoms or for the establishment, exercise or defense of legal claims.
- **Objection to data processing based on the legal basis of "legitimate interest":** *In addition, you have the right to object to the processing of your personal data at any time, insofar as this is based on a justified interest. We will then terminate the processing of your data, unless we demonstrate compelling legitimate grounds according to legal requirements which override your rights.*
- **Right of complaint with supervisory authority:** You have the right to lodge a complaint with a supervisory authority. You can appeal to the supervisory authority which is responsible for your place of residence or your state of residency or to the supervisory authority responsible for us. This is:  
**National Authority for Data Protection and Freedom of Information**
